

*Due to ongoing concerns around COVID-19 and potential impact on travel, we have again decided to postpone the Tanzania meeting, now to 2023.*

# SAVE THE DATE:

## 24<sup>th</sup> International KSHV Conference

### JULY 10-13, 2022

### Denver CO

We are planning the 24<sup>th</sup> International KSHV Conference in a HYBRID format to provide a contingency plan, allow participation for most and for in-person interactions for all able to travel to Denver.

**\*\*Please note-** The University of Colorado Anschutz Medical campus requires proof of vaccination for campus entry, and adherence to all mask and distancing guidelines in place. More information will follow when all venues are able to confirm current tentative reservations, held pending COVID status.
