There is a 300-word limit for the main body text of your abstract. All submissions must be in English. This document is an example of a 300-word abstract that is formatted for printing on A5 paper size (5.8 x 8.3" or 148 × 210 mm), the size of the conference booklet paper. All margins are 0.5" or 13mm. The font is required to be Times New Roman, size 11pt font. Typographic alignment should be fully justified, which means that text is aligned along the left margin, and letter- and word-spacing is adjusted so that the text falls flush with both margins. Please limit your use of special characters such as β-chain, α-herpesvirus, γ-IFN as they can present future formatting issues. Include all authors and affiliations in submission, including the submitting author, any co-authors, and Principal Investigator/Lab Head.

KSHV 2022. Sunshine on my shoulders makes me happy. Sunshine in my eyes can make me cry. Sunshine on the water looks so lovely. Sunshine almost always makes me high. I called up my friend LeRoy on the phone. I said, Buddy, I'm afraid to be alone 'cause I got some weird ideas in my head about things to do in Denver when you're dead. You know I ain't never going back to Commerce City, who knows how they've taken my last twenty dollar bill. There ain't no love lost, there ain't no more time to kill, and all my brothers they're up on Jersey landfill and I ain't never going back to that town. So take your fill, don't hesitate or we'll snatch that elk from off your plate before you can help us sing this tune. Colorado, Colorado. Escape the city in the Rocky Mountain way. Come on down, we'll take you to Colorado, Colorado, Colorado.
