After early breakfast, meet your driver guide and drive to Nyerere National Park (formerly Selous Game Reserve).

Lunch at the camp then enjoy late afternoon Boat Safari

You will have a chance to spot some animals when heading for a sunset safari on the other side of the Rufiji River. The boat safaris are conducted in sturdy metal boats with a powerful outboard motor on the back and a covered canopy. Each boat safari is guided by a guide who knows the river and is also well aware of hippo and crocodile behavior having spent so many years' safely guiding people between them. The boat safaris provide some of the best water birding in Tanzania

Dinner and overnight at the **Selous Jimbiza camp**

25 June 2023

After breakfast depart with lunch boxes for full day game drive in a specially modified safari vehicle with a professional guide. Lion, elephant, giraffe, buffalo, zebra are the animals expect to see including rare African hunting dog. Enjoy your picnic lunch and a drink at a place with a clear view all round so that no predator can sneak up unseen! Late afternoon drive back to your camp for sunset

Dinner and overnight at **Selous Jimbiza camp**

26 June 2023

Early morning walking safaris are a fantastic way to get close to nature and learn more about the smaller species and the bush itself. It's an unforgettable experience to walk within such a vast and untamed area of natural reserve; walking safaris are tailored to give you the opportunity to learn about the things you miss from the vehicle or boat. Learn to identify animal tracks and signs and hear fascinating information about the insects, trees and colorful birdlife. Walks are slow-paced, accompanied by both an armed ranger and nature expert guide and are around 2-3 hours long. Children must be able to walk unassisted and the camp management, guide or ranger accompanying the walking safari has the right to stop a child from participating if they feel it is in the best interests of the safety of the individual or group. After walking safari, enjoy your breakfast and then drive back to Dar Es Salaam
